- risk assessment (where applicable).
- activity sheets (where applicable).

Please be aware that risk assessments are provided in an advisory capacity only, and a full risk assessment should be undertaken by the group leader.

## **ADVISORY INFORMATION**

Please be aware, risk assessments provided by Thorrington are only in an advisory capacity.

Due to the dynamic nature of this activity, no risk assessment is provided.

The risk assessment should be undertaken by the group leader responsible.

# Orienteering Trail

As you walk round and collect the letters that spell the name of a tree.

Start at the Flag Pole	Letter
Bear <b>310</b> for your first letter.	
Now head <b>070</b> .	
First bear <b>155</b> to the bottom of the hill. Then go <b>200</b> to acrossing. Finally take the bearing <b>180</b> . It's up high!	
For your fourth letter walk off at <b>210</b> .	
The next requires a detour around an obstacle, but don't lose your bearing. <b>288</b> .	
Walk under the arch onto the edge of the lane. Now head <b>012</b> . It's on the corner of the black building.	
Now head on a bearing of <b>270</b> through the fence and on the board, you must look.	
Now turn around now and head <b>235</b> . It's by the poles.	

You have now completed the trail, now to test if your in the right place...

What's your tree called?
